FYI. We are planning to videoconference from Austin to the El Paso, Pharr, and Laredo TxDOT Districts to save on travel costs for this June 18th meeting so if the GSA/U.S. Customs/FMCSA or other MPOs wish to view the videoconference in EL Paso, Pharr, or Laredo please contact the appropriate TxDOT District staff for purposes of participation-or I will put you in touch with them.

Roy,

I did not get a chance to discuss the agenda with Paula Dowell of WSA to give an update on the Border Wizard efforts underway in El Paso, will she still be able to make it to this meeting? I could call her if you provide me with her phone number...
